

# Crop Intelligence ANNUAL SUMMIT • 2022

The 4Rs of Crop Intel

**The Double Tree Hotel in Regina**

**We're excited to announce that the agronomy-focused 2022 Crop Intelligence Summit is happening in-person December 7th and 8th in Regina.**

Our conference attendees are forward-thinking, technology and data-driven farmers and agronomists from across Western Canada. Last year's event saw over 250 people in attendance and we're expecting a similar audience this year.

We hope to see you and your colleagues at the event to share, learn and grow together.

## SPONSORSHIP INFORMATION

By sponsoring this event, you are supporting the continued education, advancement and innovation of farming. We could not provide the services that we do without the support and knowledge of our partners and industry experts.

### ☐ **Tier 1 Sponsorship - \$2,500**

As appreciation for your contribution, you will receive:

- 4 tickets to the event
- 1 x 8' table space at the keynote speaker and mixer
- Your company logo on printed and digital material
- Your name, service provided, and an image of representatives included in the sponsorship slideshow at breaks and the lunch hour
- Recognition and mention on Twitter as a sponsor of the event

### ☐ **Tier 2 Sponsorship - \$1,000**

As appreciation for your contribution, you will receive:

- 2 tickets to the event
- Your company logo on printed and digital material
- Your name, service provided, and an image of representatives included in the sponsorship slideshow at breaks and the lunch hour
- Recognition and mention on Twitter as a sponsor of the event
